

RIVER ARTS CLUB

MEETINGS AND EVENTS

The River Arts Club is at Oldfield, a Victorian riverside mansion nestled on the banks of the river Thames, with landscaped gardens sweeping down to its private river frontage and moorings. It is conveniently located near the M4 and M40 and linked to central London by train via the Elizabeth line and fast train into Paddington. It is a 20 minute drive from Heathrow airport.

The property has recently been refurbished and offers a unique calming atmosphere based on wabi sabi principles. With 12 guest rooms, a boardroom overlooking the garden and river and breakfast facilities, it is the perfect private, intimate setting for meetings and events.
